Dear Mrs. Fougere:

The Accreditation Decision Committee has reviewed the evidence submitted by St. Anne Community and Nursing Care Centre as a follow-up to your recent accreditation decision.

As a result of this review, we are pleased to advise you that the decision awarded to your organization has been changed to Accredited with Commendation. Your Quality Performance Roadmap has been updated to reflect compliance with the evaluated criteria.

Congratulations! This achievement demonstrates your organization's determination and commitment to ongoing quality improvement. We applaud your leadership, staff, and accreditation team members for their efforts and dedication to the provision of safe, quality health services.

Also as a result of this review, there remains an unmet requirement which is requisite to maintaining your accreditation status. The unmet requirement is:

Required Organizational Practices:  
Major tests for compliance:  
Long-Term Care Services (17.5.2)

We are granting St. Anne Community and Nursing Care Centre an extension to confirm compliance with this requirement. It is important to note that evidence describing compliance must be submitted via your Quality Performance Roadmap by November 05, 2013.

Please be reminded that your organization is still required to provide evidence of compliance with the following criteria:

Required Organizational Practices:  
Minor tests for compliance:  
Ambulatory Care Services (17.2.4), (17.2.5)

Customized Leadership (10.10.2)

High Priority and Other Criteria Requiring Follow-up:  
Governance and Leadership  
Customized Leadership (1.2)

Managing Medications and Infection Prevention & Control  
Customized Managing Medication (6.4)

In order to maintain your new accreditation status, it is important to note that evidence describing compliance with these criteria must be submitted via your Quality Performance Roadmap by November 05, 2013.

Should you have any questions or wish to discuss the scheduling of your next on-site survey, feel free to contact André Carrière, Accreditation Specialist at 1-800-814-7769 ext. 395.
